

VFC CHECKRIDE MEMBER INFORMATION PACKAGE

Dear Member,

The Victoria Flying Club is pleased to have the opportunity to work with you to provide continued training and support.

Whether you have a new set of wings, are wise old owls, or are one of our career pilot candidates, it is important to us that all of our members meet our safety standards and continues to grow in aviation.

Each pilot is required to meet recency standards outlined in the Canadian Aviation Regulations (CARs) in order to maintain the validity of their pilot's licence.

To ensure our ability to provide a safe and enjoyable flying experience for our members, we ask that you review and complete the VFC Check-ride CHECKLIST as attached.

A reminder that the C-172S EXAM, the TC Aviation Safety Newsletter Exam and the VFC Membership Form should be completed prior to coming in for your Check-ride.

To do this, you will need a copy of the C-172S Information Manual, which is available to purchase from the VFC. Alternatively, there are online copies readily available.

We look forward to flying with you soon!

Cheers,

Victoria Flying Club
Flight Training Team
